

PTA VOLUNTEERS NEEDED

Volunteering for the PTA is a great way to support your child's education, get to know the teachers, staff, and other parents, and create lasting memories with your child. It is only with your help that we can make these amazing events happen, so please consider donating your time. Thank you in advance for supporting your child's school!

Please mark those committees and events that you'd like to get involved with, and return the form to your child's teacher OR email to theaespta@gmail.com (preferred).
